STYLETILE

Inspiration from the stiye Lisa Vertudaches

Contour line
There will be a black contour line.

Typography
CLAIRE HAND FONT

Specific characteristics in the style

there will be two characters - wine bottle and glass of red wine.
I really want to keep it simple.

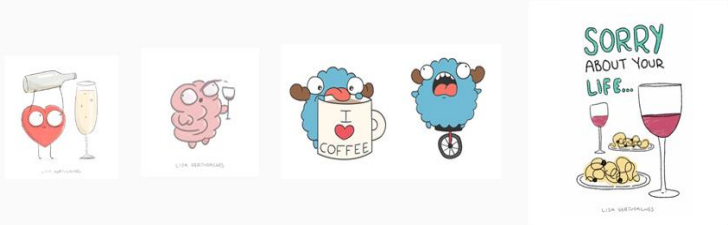

Colours
Using pastel colors iis typical for this style.

Mood of the animation will be girly and cute. It should make you feel warm, happy and relaxed. The whole animation will be really minimalistic.

The messge

- wine always helps
- if you are sad it is not end of the world
- with glass of wine, you can relax and see things from another perspective
